

# Facebook Activity: Organizers Writing a Check

In order to pay bill and buy material goods, people can use cash, debit or credit cards, or checks. In this activity you will customize your own checks and then write out three checks for the items listed below.

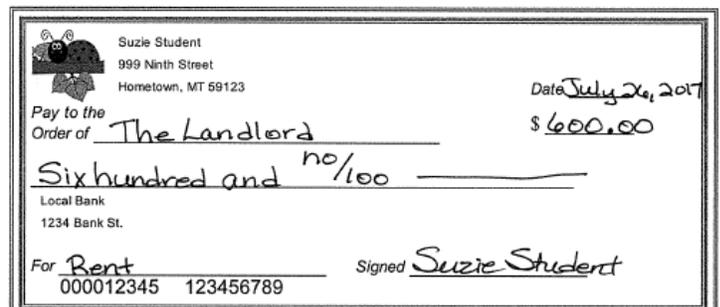

Resources: <http://activitiesforkids.com/blank-checks-template/>

Directions: Go to the website listed above and follow the steps to design your own checks. Print out the three checks and write out three checks for the items listed below. See the example checks as a reference. When writing out checks, it is important to write neatly.

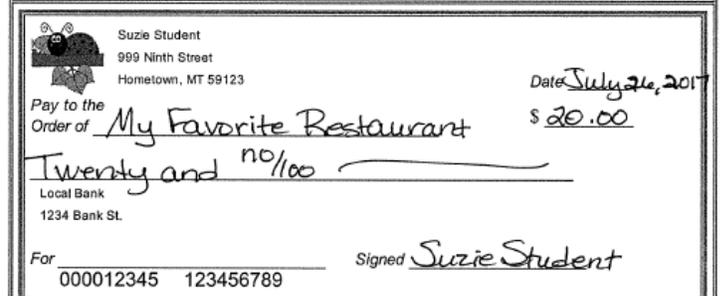

Rent: \$600.00 – write the check out to your parent or guardian

Food: \$20.00 – write the check out to your favorite restaurant

Clothing: \$15.20 – write the check out to your favorite clothing store
